The listed output power is conducted. The antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20cm from all persons and not be co-located with any other transmitters except in accordance with FCC multi-transmitter product procedures in this filing. End-users and installers must be provided with antenna installation instructions and transmitter operating conditions for satisfying RF exposure compliance. This device supports 20MHz, 40MHz and 80MHz bandwidth modes.

This device contains FCC ID: XMR201807EG06A

CC: This device is certified pursuant to two different Part 15 rules sections.
